MULTI-STOREY DETACHABLE PRICE STICKERS

Specifications

| Code | Thickness (mm) | Width (Surface/Under) mm | Height (Surface/Under) mm | Lines Colour | Surface | Interlayer | Remarks |
|-------|----------------|--------------------------|---------------------------|---------------|---------------|-----------------------|--|
| 3720T | 0.13 | 37/36 | 20/19 | Black or Blue | FSC Art paper | Transparent PET | It is made of multi-layer materials and is designed through a special process. The upper layer of material is larger and the lower layer is smaller, which facilitates separation. It cannot be attached back to the label after separation. Due to the different sizes of stickers, multiple stickers can be overlapped to display different currencies or different price information. This product is specially designed for international fast-selling fashion clothing brands such as ZARA, P&B Stradivarius, OYSHO, MD, ZARA HOEM, MANGO, etc. All materials used have passed FSC certification and obtained Chinese government patent certificates. |
